SUMMARY

Performance Marketing Manager with **5+ years** in paid media, growth and marketing analytics for e-commerce, retail and B2B. Grew e-commerce ROAS from **8x to 14x** for a national retailer, managed up to **BRL 1M/month (~€150K)** in ad spend, led **5 performance marketers across 45 client accounts**, and now lead an e-commerce growth agency's **expansion into Portugal**. Hands-on with Google Ads, Meta Ads, GA4, GTM, Power BI and n8n; technically self-sufficient (landing pages, self-hosted n8n on a VPS). Native Portuguese: strong fit for Brazil, Portugal and LATAM.

KEY ACHIEVEMENTS

- Raised e-commerce ROAS from **8x to 14x (+75%)** for retailer Lebes on a **BRL 110K/month (~€17K)** budget, beating the 10x target.
- Delivered **31x ROAS on Google Ads and 22x on Meta Ads** for furniture retailer Lojas Pintos: **BRL 148K (~€23K) in revenue from BRL 5K** in spend.
- Managed key accounts **Duloren, Bana Bana and Jacuzzi**, around **BRL 1M/month (~€150K)** in media spend.
- Promoted **4 times in 3 years**; led a **5-person team across 45 clients** with a career plan I designed.

PROFESSIONAL EXPERIENCE

Growth Lead | Softcommerce | Mar 2026 – Present
E-commerce growth agency · Porto Alegre, Brazil

- Lead the agency's **expansion into Portugal**: go-to-market strategy and acquisition channels.
- Own the growth roadmap for client e-commerce stores: A/B testing, CRO audits, landing pages and creative testing.
- Run full-funnel paid media (Google Search, Shopping, Performance Max, Meta Ads) against ROAS and CPA targets: **Lojas Pintos 31x ROAS on Google and 22x on Meta**; **Made in Piauí 4.9x ROAS** at a BRL 37 (~€6) CPA, led by Performance Max.
- Diagnosed product-feed and Merchant Center gaps limiting Shopping and Performance Max; moved spend to high-intent product groups.
- Built the commercial process and sales scripts with the sales team, plus automated dashboards and tracking audits (GA4, GTM).

Head of Performance Marketing | DOT Conceito | Apr 2025 – Mar 2026
Digital marketing agency · Brazil

- Led a team of **5 performance marketers** managing **45 client accounts**; owned allocation and delivery quality.
- Designed a **3-level career plan** with a certification path (GA4, GTM, Looker Studio, Meta, Performance Max); ran IDPs and 1:1s.
- **Lebes (retail, BRL 110K/month):** ROAS from **8x to 10x** via GA4 audience fixes and dynamic catalog ads, then **10x to 14x** via an A/B-tested installment-offer creative; hit the **20M-impression** store-awareness goal.
- Built an n8n/Make budget-pacing bot (Meta + Google spend every 24h, Slack alerts) that removed overspend risk.
- Created audits, a monthly account health score and a test matrix; delivered an **AI customer-service agent** (n8n, ChatGPT, RAG).
